Make Virginia Better

Completing Partners in Policymaking or the Youth Leadership Academy(Forum) was only the beginning. Virginia needs strong advocates for disability rights engaged in their own communities on the issues that matter. The <u>Virginia Board for People with Disabilities Training Alumni Association</u> is where to start the next phase of your journey. Connect with the Regional Advocacy Chapter closest to you and put your skills to use. Work with your fellow alumni and help create a brighter future for all Virginians.
