- If you have diabetes, learning about your care through Diabetes Self-Management Education, can help you lower your A1C level by as much as 2.3%.

Diabetes Programs in Your Area

Diabetes Self-Management Education

Would you like to learn how to lower blood sugar levels, decrease diabetes complications, and reduce healthcare costs?

Diabetes education provides evidence-based tools to help people with diabetes to guide decisions and activities about their diabetes. Diabetes education has been proven to help people with diabetes stay healthy.

Riverside Walter Reed Diabetes - 7574 Hospital Drive, Gloucester, VA 23061 (804)693-8867
Riverside IM of Denbigh - 12695 McManus Blvd, Newport News, VA 23602 (757)234-4285

Diabetes Tele-education Program

Would you like to learn more about diabetes on-line?

The Diabetes Tele-Education Program has 4 diabetes classes offered to people with diabetes and their families. Classes may be viewed at a healthcare facility, or they can be watched at home. To learn more, click on the link below.

Virginia Cooperative Extension (540) 665-5699, vsantiago@vt.edu
Tidewater Medical Center - 860 Omni Boulevard, Newport News, VA 23606 (757)232-8768

Diabetes Eye Screening Program

Diabetes eye disease is the leading cause of preventable blindness among people ages 20-79 years. Vision loss can be avoided or treated with early detection.

Screening can help to detect diabetes eye disease early, even before any noticeable changes in vision. It is recommended that patients with diabetes have a dilated eye exam performed by an ophthalmologist or optometrist, routinely.

Hampton Roads Eye Associates- 7590 Hospital Dr, Gloucester, VA 23061 (804) 693-5560
Northern Neck Eye Center - 1 First St, White Stone, VA 22578 (804) 435-2661
