Diabetes Programs in Your Area

Diabetes Self-Management Education

Would you like to learn how to lower blood sugar levels, decrease diabetes complications, and reduce healthcare costs?

Diabetes education self-management education provides evidence-based tools to help people with diabetes to guide decisions and activities about their diabetes. Diabetes education has been proven to help people with diabetes stay healthy. It requires a referral from a provider.

Bon Secours Mercy Diabetes Health Southside - 50 Medical Park Blvd, Petersburg, VA 23805 (804)764-7885
Case Management Assoc- Diabetes Wellness Center - 700 S. Sycamore St., Petersburg, VA 23803 (804)324-5051

Community Diabetes Education Program

The **Diabetes Self-Management Program (DSMP)** is a 6-week workshop that helps older adults self-manage their diabetes. The program's evidence-based structure relies on the assumption that people with diabetes have similar concerns and problems. They must deal not only with their diabetes but also with the impact that diabetes has on their lives.

Senior Connections - 1300 Semmes Ave, Richmond, VA 23224
(804) 343-3000 Kathy Brown kbrown@youraaa.org

Diabetes Prevention Program

Do you have prediabetes? Take this simple **RISK TEST**. Individuals who joined in a lifestyle change program have decreased their risk of developing diabetes. Don't wait!
